Intimate Care Support consent form

If a child wets or soils themselves while they are in school it is important that measures are taken to have them changed (and if necessary cleaned) as quickly as possible. Some children may need assistance wiping themselves to ensure they are adequately cleaned after soiling. Our staff are experienced and trained to carry out this task. In the event of soiling, and if you give your consent for staff to assist your child, two female members of staff will be present at all times.

St Uny C of E Academy has an Intimate Care Policy which is available upon request at the office.

Please fill out the permission slip below stating your preference.

Yours sincerely,

Miss Kirsty Lamb
Head of School

***I give consent** for my child to be changed and cleaned by a member of staff if they wet/soil themselves, or to give assistance wiping if necessary while in the care of St Uny C of E Academy.

***I do not give consent** for my child to be changed and cleaned if they wet/soil themselves. The school will contact me or my emergency contact and I will organise for my child to be cleaned and changed. I understand that in the event that I (or the emergency contact) cannot be contacted the staff will act appropriately and may need to come into some level of physical contact in order to aid my child.
