Key indicators	Impact	Sustainability	Timescales/key staff members
the engagement of all pupils in regular physical activity - the Chief Medical Officer guidelines recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity a day, of which 30 minutes should be in school	<p>Introduction of the daily mile for the whole school. Every child completes 15 minutes sustained physical activity daily.</p> <p>Increased range of sporting clubs offered to appeal to a wider range of children. There is at least one sports clubs running each day after school for key stage 2 and key stage 1 sports clubs too.</p>	<p>Led by each class teacher as a tool to ensure the children are active and that it can be used to help concentration and focus in lessons. Alternative physical activity planned in the event of extreme weather.</p> <p>Agreement in place for external dance club to continue indefinitely. Assemblies to perform dances included to generate more interest in the club.</p>	Sports lead, class teachers
the profile of PE and sport is raised across the school as a tool for whole-school improvement	<p>PE lead now a specialist focused role within school. The sports leader has a degree in PE and is now working for the Youth Sports Trust as a primary PE lead. This will ensure St Uny are at the front of new sporting opportunities.</p> <p>Visit in October from a GB athlete through sports for champions to raise the profile of sport and to show pathways into careers in sport for the children in our academy. Every child got to take part in sports</p>	<p>YST role means that expertise and initiatives can be shared with the staff for their own development too.</p> <p>Athlete will provide inspiration and understanding of the steps to take to follow a sporting pathway.</p>	<p>Autumn 2018 February 2019 –YST conference Sports lead</p> <p>October 2nd 2018 Sports lead</p>

	activities with the athlete and ask questions to him and listen to how he has achieved what he has.		
increased confidence, knowledge and skills of all staff in teaching PE and sport	<p>The PE lead teaches sport alongside the class teacher. He plans, teaches and evaluates the lessons to provide high quality CPD. This year this has been extended to support the EYFS, year 1 and year 2 teachers with their lessons, while maintaining the support in key stage 2. The NQT teachers in ks1 get additional support with delivering sports lessons and the requirements of primary sport.</p> <p>Mentoring an NQT to develop a future PE lead in the school. Sports lead is working with a member of staff with a sports interest/background to provide distributed sports leadership in the academy.</p>	<p>This is sustainable because it is developing the skill set and confidence of the teaching staff. They will deliver sport alongside the teacher so will be more confident in teaching sport in the future.</p> <p>Ensures there is greater level of sports leadership within the academy, ensuring sport will also have a high focus at St Uny.</p>	Ongoing throughout the year.
broader experience of a range of sports and activities offered to all pupils	<p>New clubs have been introduced in sport to allow for increased opportunities in extra-curricular activities.</p> <p>Sports leadership opportunities for year 6 children</p>	<p>See above in row 1. Children now accessing external sports clubs more regularly through academy signposting clubs and events.</p> <p>Year 6 children will gain skills that will support them in other activities in the future. It will also have a</p>	<p>Autumn term Sports lead, Vox dance club</p> <p>Year 6 teacher, sports lead, nurture staff</p>

	<p>MAT pupils provided insight into key areas of sport to reach the very highest levels in sport.</p>	<p>positive impact on their confidence too.</p> <p>This knowledge will ensure they are well informed about key factors that impact on the sustainability of their sporting pathways, increasing the chances of them progressing to the highest possible level.</p>	<p>Aspire will plan MAT sporting programme for pupils throughout the year. Our children will attend these. Sports lead.</p>
<p>increased participation in competitive sport</p>	<p>The PE lead has planned a year $\frac{3}{4}$ sports festival this year to provide additional opportunities. There will also be a EYFS sports morning for reception children to participate in co-operative sport alongside other schools. There will be a 'b' team football festival for those who attend to have additional opportunities.</p> <p>St Uny now entered in more football/rugby events this year to provide extra opportunity/participation. Competitive football to be extended to years 3 and 4.</p>	<p>Accessing these events will generate more interest in the variety of sports provided for our children. More children will access sports outside of school as a result.</p> <p>Able to give opportunities for more children. Increased enthusiasm and interest may enable us to signpost more children to access football out of school as well as inside school.</p>	<p>Sports lead – ongoing based on events happening throughout the year.</p> <p>Sports lead</p>
