

# Autumn Term 2025

Choose your homework from the menu below. The peri-ometer shows you the level of challenge. You need to reach a minimum of ten points to achieve your homework target for this term!

CLASS	Poldark
TOPIC	How has transport changed over time?-

6 Points	Design and build a boat, thinking carefully about what materials will float best and be most waterproof!	Build a 3D model of a mode of transport of your choice.	Design your dream house! Label some of the materials you use. Think about what you'll use for the roof, walls, windows and stairs.
5 Points	Natural vs man-made... Create a piece of art work using as many pieces of <u>natural</u> material you can find.	Past and Present Comparison... Find pictures of old and new vehicles and draw them, labelling the changes that have occurred over time.	Go on a materials treasure hunt around your house. How many different materials can you find? List or draw some and where you found them!
4 Points	Take a journey through your local area and draw or list the different types of transport you see.	Write and draw a picture of your favourite journey you have taken! Was it by car, train, plane or anything else?	Story of a Journey: Think of a special journey you would like to go on and draw a picture of where you would travel and how you would get there.
3 Points	Transport Posters: Design and create a "crossing the road safely" poster to illustrate how to travel safely.	Practice counting to 10. Use objects you can find around the house to help you count to 10 and beyond!	PSHE: Create a poster about how to be a good friend.
