

Autumn Term 2025

Choose your homework from the menu below. The peri-ometer shows you the level of challenge. You need to reach a minimum of ten points to achieve your homework target for this term!

CLASS	Morvah
TOPIC	Extreme Earth

6 Points	Make a model of a volcano – you can use any medium to produce this e.g. clay, paint, scrap materials. Consider the shape it will be (dome, cinder, composite) and add appropriate labels.	Design and create a geographically themed board game. How many people can play? What is the purpose of the game and how do you win? Write a rule book to allow others to play.	Design a travel leaflet/brochure to encourage people to visit a volcanic site. Use persuasive writing techniques to convince people to visit.
5 Points	Write and perform a song about to volcanoes.	Investigate volcanoes on the planet Mars. Are they similar or different to Earth's volcanoes? Make a comparison chart. Think about the size, shape, type and age when comparing.	Create a cartoon strip (or computer animation) to explain how moving tectonic plates can cause volcanoes and earthquakes or mountains and valleys.
4 Points	Design a device that could be used during a volcano eruption to protect you from serious injury. Draw a diagram and label its key features.	Write and solve your own range of natural disaster/geography themed maths questions. Use a range of topic areas and reasoning and problem-solving skills.	Find out about ShelterBox (an emergency disaster relief charity). Create a presentation to share their work/mission, the impact they have, what they do etc.
3 Points	Invent a warm-up game for PE called 'Eruption'. You must: <ul style="list-style-type: none"> Get children running around to warm up Include everyone Draw a diagram and write a set of instructions to help our class to play it. 	Make a collage board of volcano images. You could use pictures from the internet, magazines or ones that you have drawn.	Sometimes our emotions can burst out of us like an eruption! Write a list of suggestions to help someone manage their big emotions in a safe way.
