

Summer Term 2026

Choose your homework from the menu below. The peri-ometer shows you the level of challenge. You need to reach a minimum of ten points to achieve your homework target for this term!

CLASS	Zennor
TOPIC	Romans / Rainforests

6 Points	Create a comic strip about a day in the life of a Roman slave.	Roman engineering is something we still see around today. Research a famous piece of roman architecture and recreate this as a 3D model.	Research a rainforest animal – the more interesting the better! How will you present it to the rest of the class?
5 Points	Research events that Romans would watch for entertainment. Create a poster showing different events at The Games in the Colosseum or The Circus Maximus	Research a Roman recipe of your choice and make at home.	PSHE task- Create a set of 5 golden rules you try to live by to be your best self. Present this as a beautiful poster to display in class.
4 Points	Fancy a mathematical challenge? Have a go at these Roman numerals problems... roman-numerals-activity-sheets.pdf (primarysite-product-sorted.s3.amazonaws.com)	Using a range of rainforest images to create an Amazon collage. Remember to use lots of interesting textures, shapes, colours and patterns.	Create a poster inspiring people to save their local woodland or forest. Include why it is vital to the environment and what people can do to save it.
3 Points	Visit a local forest or woodland. How many different types of organism can you identify?	Create your own Amazon word search puzzles using all the new words you have learned during this project. Challenge a grown up to solve it!	Create an outdoor game for Roman children to play.
