

St Uny C of E Academy

Head of School: Mr R Hoskins

Dear everyone in Zennor,

What a strange time it is at the moment! I am missing seeing you all and hearing your jokes, seeing your dance moves, and hearing about what you and your pets have been up to. I really hope it won't be long before we are all back together again. Make sure you keep a list of things you want to tell me so that you don't forget!

In the meantime, make sure that you are really making the most of this bonus time with your families at home. I know that you are all doing your best with the home learning packs, and it is wonderful to see the examples of work that are being sent in. Please keep it up – I love seeing what you have been doing. By the time we come back to school make sure you can all tie your shoe laces (you know how much I love it when you can do it yourself!) and tell the time on a clock with hands. I also want you to be creative as much as possible and get outside and muddy as much as you can.

I have been finding huge amounts of joy in spending time with my family, playing Scrabble and card games, walking the dog on the beach and planting vegetables. My daughter gave me a kitchen haircut and I think it looks alright ish.....! I've been reading lots too – I love being lost in a book.

Make sure you all stay safe and be kind to the people around you. Send in your pictures so that we can see what you have been up to, and above all find joy in something every day.

Much love

Miss Hill
