04.09.21 – Welcome Back Information

Dear Parents & Carers,

I hope you have all had a wonderful summer, we are very much looking forward to seeing you all next week for the start of the new school year. I am writing to provide you with information regarding school operations from next week.

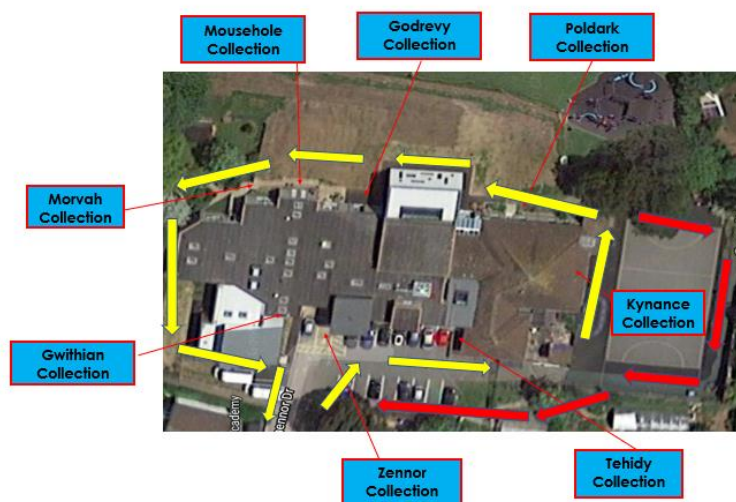

The School Day – Drop Off & Collection

From next week there will be changes to the start and end of the school day. School will start **at 8.45am** for all pupils with the gates to the playground opening at **8.30am**. Staff will be on the main gate to greet the children and all teachers will be on the playground next Tuesday morning to welcome the children back to school. Teachers will take their classes into the school building for registration at 8.45am. Parents will not be able to enter the playground in the mornings.

*Parents of pupils in Tehidy class have already received a separate letter with an outline of drop off arrangements.

School will finish at **3pm**. We have reduced the collection slot at the end of the day and ask that parents collect their children between **3pm – 3.15pm** from their classroom pick up points. Children who have not been collected by 3.15pm will join after school club and parents will be charged the standard rate for wrap around care.

Collection Points – September 2021 Update

**One Way
Entry System
All Groups.**

**Tehidy &
Kynance
classes to
follow KS1 one-
way system around
playground and leave via
the bike shed
entrance.**

The 15-minute afternoon slot will not be divided into surname groups but will still enable parents to maintain their distance whilst collecting their children. Please continue to wear face masks where possible.

The existing one-way system around the outside of the building will remain in place.

Covid-19 Update

School will feel a lot more 'normal' for pupils when we return next week. The children will be able to play together and will enjoy more freedom than last year. The school still has a rigorous risk assessment in place in line with the most up to date guidance. Staff will continue to conduct LFD tests twice weekly and will continue to wear face masks in communal areas inside the building. Our rigorous cleaning protocols will also remain in place. We ask that parents continue to adhere to social distancing when on the school grounds and wear face masks where possible.

Reminders

Please ensure your child comes to school with a labelled water bottle so we can ensure they drink enough and remain hydrated throughout the day.

Please ensure your child has their PE kit in school with them each day.

Please ensure you order school lunches in advance via ParentPay.

Reading Karate

For those of you who have been reading lots over the summer, we aim to award Reading Karate bands within the first two weeks of term. We are requesting that parents / carers add the number of reads completed over the holidays and write the number in reading records. School staff will not be counting reads completed over the summer holidays.

We look forward to seeing you all next week.

Best Wishes,

Mr Hoskins
