Ten green bottles

Ten green bottles sitting on the wall,
Ten green bottles sitting on the wall,
And if one green bottle should accidentally fall,
There'll be nine green bottles sitting on the wall.

A Sailor Went To Sea, Sea, Sea

A sailor went to sea, sea, sea.
To see what he could see, see, see.
But all that he could see, see, see.
Was the bottom of the deep blue sea, sea, sea

Weekly Reading Tasks (Aim to do 1 per day)

Read a variety of books at home. Favourites can be repeated. Hearing the patterns of language in a story will support your child's language development.

Reception age children: Children to read to parents daily. Visit Oxford Owl for free eBooks that link to your child's book band. You can create a [free account](#). Complete the linked Play activities for each book.

With your child, look in magazines, newspapers and books for the tricky words they are currently learning. They could use a highlighter to highlight in magazines and newspapers.

Look at recipe books and food magazines. Encourage your child to use their phonics knowledge to decode the ingredients list. Select a recipe and make this together. Encourage your child to read the labels on packaging to figure out which ingredient it is.

Handwriting

Practice forming the letters of the alphabet -upper case letters. These can be practiced in a number of different ways:

Learning Project - to be done throughout the week

The project this week aims to provide opportunities for your child to learn more food. Learning may focus on where different foods originate from, what makes a healthy meal, opportunities to cook etc.

- **Healthy/ Unhealthy-**
 - Provide your child with a selection of items from your kitchen cupboards. Can they sort them into things that are healthy and unhealthy? Discuss why the food is good for you or bad for you. Look at the [Eatwell plate](#) to help figure out which foods they should eat a lot of or not very much of.
- Discuss how exercise is an important part of staying healthy. Watch and complete a 10 minute [shake up](#).
- **5 a day-**
 - Support your child to create a food diary to record how many pieces of fruit and vegetables they eat in a day. They could write these using their phonics knowledge or draw a picture of each item.
- **Create a collage-**
 - Ask your child to draw out a number of fruits or vegetables, large enough to fill a piece of A4 paper. Provide them with a selection of colourful packaging. Can they cut out and collage on to their picture to
- **Play shops-**
 - Using toy food or old packaging, set up a food shop for your child to act out being the shopkeeper and customer. You could introduce coins to support their developing knowledge of money. Give them a notepad to use as a shopping list to encourage in the moment writing.

- **Potato/ Vegetable Printing-**

- Using a selection of vegetables available in your kitchen, support your child to print and explore the shapes and patterns created:

- **Make cornflour gloop-**

- Mix cornflour with a small amount of water in a mixing bowl. It will make a slimy, stretchy mixture. Allow your child to explore the change of texture from wet to dry and the texture of the gloop.
