

ST UNY C.E. ACADEMY NEWSLETTER

'Let your light shine before others.' Matthew 5:16

RESPECT . FRIENDSHIP . FORGIVENESS.

Thursday 27th May 2021

Dear Parents / Carers,

What a busy week we have had at St Uny CE Academy!

Classic Quarter

Congratulations to four members of staff who completed the 'Classic Quarter' on Saturday. Miss Hill, Mr Smith, Mr Hoskins and Mrs Cook ran 44 miles in a relay as a team. They braved all weathers, countless boulders and completed the event in just over ten hours. Thank you to the staff members who came along and supported the team – what an achievement!

Brilliant Bikeability!

Well done to the Year 5 and Year 6 children who have completed their Bikeability over the past few weeks. We have been so impressed with their confidence and perseverance, especially whilst out on the roads which can be very nerve wracking! The instructors were very impressed with all of the groups and how hard they tried. Watch out Carbis Bay – St Uny kids are ready to hit the road!

G7 Projects

We have been taking part in so many exciting projects in the build up to the G7 summit in Carbis Bay. Pupils in KS2 have been filming a very special Collective Worship which will be shared in church schools across the country! KS2 have also been collaborating with all year groups at St Ives Junior School to complete projects linked to the environment and sustainability whilst KS1 have been busy creating a window display for Carbis Bay Pharmacy. We can't wait to share lots of the exciting work we have been doing with you all very soon!

We hope you have a wonderful half term break – see you on Tuesday 8th June!

Dear parents from Zennor
Zennor are collecting crisp
packets, and are going to send
them to walkers. It would
help if you could bring
more in. But you can't bring
popcorn packets in. We are
recycling them to make them
into new crisp packets. Rati

Recycle your crisp packets

Toby

Hello parents of St Mary's, pretty we
have been learning about, trying to
recycle crisp packets because crisp
packets are getting in seas. We
want to stop that happening. We
put boxes around school for
children to put their crisp packets
in.
