

# St Uny C of E Academy

Head of School: Mr R Hoskins

Dear Kynance,

It's lovely to have the chance to write to you from my home! I'm sitting on my living room sofa with a cup of tea and thinking about how much I'm missing you all. Since I last saw you, I have spent a lot of time in the garden and have been truly thankful for the beautiful weather we have had. I have turned my garden into a play area for my two toddlers and now have a sand pit and a slide! I love making really big sandcastles and then watching my children enjoy knocking them down! I have also been baking lots of fairy cakes and using up old bananas to make banana cake. If you Google BBC banana fairy cakes, there is a lovely recipe you could try!

The highlight of my day is when I see a school email arrive and I open it and find a message about what you're doing! I have received your photographs and messages and really enjoy looking at them. I have started to make a class book to put all of your home learning photos in so please keep sending them to me! I was particularly excited to see some of the gardening you have been doing and the creative writing and maths!

Although it has been tough not seeing you all and having to stay in my home, I am enjoying spending time with my family and not having to get up too early in the morning! I am looking forward to all of us being back together.

While we are apart why not try some of these things...

- Play hide and seek or eye spy
- Build a Lego model that moves
- Play a board game with someone
- Dress up in fancy dress and act out a story
- Make some puppets and create a puppet show to perform for your family
- Make jam tarts or banana fairy cakes!
- Splash in a puddle or two!
- Build a Den in your house or garden

Please send me a photo of anything you get up to. I really do love seeing them!

Take care and stay safe. I'm looking forward to seeing you all again soon!

Mrs Palmer ☺
