**RESPECT. FRIENDSHIP. FORGIVENESS.**

**Friday 8 February 2019**

Dear Parents / Carers,

It's been another busy week at St Uny CE Academy!

The school houses are almost ready to launch! Today the children have been told which house they are going to be part of and next week we will be electing 'House Captains' and 'Heads of House'. The big launch will then take place after half term.

Parking – this continues to be an issue in the surrounding area around the school in the mornings and in the afternoons. Can you please ensure you park safely and in a sensible space when dropping off and collecting your children? We have had a few reports from concerned parents about parking over the past couple of weeks.

It's time to dust off your dancing shoes – the 'Friends of St Uny' disco is on Thursday 28th February, it would be great to see as many of you there as possible!

Please keep up to date on the latest news on our Facebook page <https://www.facebook.com/Stunyacademy/>

Have a great weekend,  
Mr Hoskins

On Wednesday afternoon, Ding Dong were lucky enough to welcome a surprise guest into their class. Denis Wilkins, Vice President of the Devon and Cornwall Polar Society, made the long journey from Liskeard to give the children an insight into what it is like to travel through the Antarctic. He shared his amazing wealth of knowledge with the children and brought along a range of artifacts from his days in the polar regions. The children had an absolutely incredible afternoon dressing in Denis' original polar gear and even used role play to understand sled dog formations and how penguins waddle! All in all, a fantastic afternoon was had by all.
