TOTAL POINTS	

# Take Away Homework!

Choose your homework from the menu below the peri-ometer shows you the level of challenge. You need to reach a minimum of ten points to achieve your homework target for each half term.

<b>6 Points</b>	Make your own fossils – follow the link below for an idea of how to do it - or you could use your own creativity! <a href="https://www.bbc.co.uk/cheebies/makes/presenters-making-a-fossil">https://www.bbc.co.uk/cheebies/makes/presenters-making-a-fossil</a>	Who was Mary Anning and what did she become famous for? What else can you find out about her? Present your findings in an interesting way.	Research the animals that would have lived alongside Stone Age man. Which of them are the ancestors of animals that we know today?
<b>5 Points</b>	Pretend you live in the Stone Age and cook and eat something outside (with the help of an adult)– what were the challenges? What went well?	Write a day in the life of a Stone Age child - what would you do all day? Add as much detail as you can.	Try this maths investigation – Noah saw 12 legs walk by into the Ark – how many creatures could he have seen? HINT – there is more than one possible answer. Can you find them all?
<b>4 Points</b>	Make a pair of animals from the story of Noah and the Ark. You can make them out of any materials you like – fabric, card, clay etc	Decorate a stone or pebble – we'll have our own treasure hunt in the school field at the end of term.	Imagine that you were going to leave some paintings on your bedroom wall that showed what was important to you – like Stone Age cave paintings. Plan your painting on paper and bring it in.
<b>3 Points</b>	Make some art out of rocks and stones on the beach – take a photo and bring it in or email it to <a href="mailto:hello@stuny.org.uk">hello@stuny.org.uk</a>	You had to be a quick runner to be able to catch your dinner in the Stone Age – make yourself an obstacle course in the garden or on the beach and see how quickly you can safely get round.	Use what you know about the Stone Age to design an outfit for a Stone Age child. What materials would be available to use?
