

St Uny C of E Academy

Head of School: Mr R Hoskins

Dear Parents and Carers,

Your child will shortly be bringing home a book that they will have chosen from their class Read to Me box. The book is likely to be beyond your child's current reading capabilities. They may ask you to read it to them.

By reading the book aloud to your child you will be helping them to develop their imagination and understanding. You will be supporting their language and listening skills and preparing them for the written word. We hope that you will enjoy sharing the book together.

Once you have finished the book, it would be wonderful if you and your child could complete a review of the book. Your child will bring home one of these with the book they have chosen. The book reviews will be used to support other children with future selections of *Read to Me* books.

Many thanks for everything you are doing to encourage your child's reading development.

Happy reading!
