<ul style="list-style-type: none"> Working on Times Table Rockstars - your child will have an individual login to access this. If your child works on 'Numbots' In school they can access this with the same login. Play on Hit the Button - focus on number bonds, halves, doubles and times tables. Daily arithmetic sessions – focussing on addition, subtraction, multiplication and– levels 3 and 4. Continue to develop your reasoning and problem-solving skills by practising these puzzles. There are lots to choose from and some are more challenging than others! Get a piece of paper and ask your child to show everything that they have learned in their online Maths lesson from White Rose. This could be pictures, diagrams, explanations, methods etc. They can be as creative as they want to be. <p><u>Daily Maths Lesson</u> The above site also has daily Maths lessons which can be accessed online. These are available for Y3 and for Y4.</p>	<ul style="list-style-type: none"> You could share a story together. This could be a chapter book where you read and discuss a chapter a day. Listen to your child read and let them discuss what they have read. Encourage them to read with expression and intonation. Watch Newsround and discuss what is happening in the wider world. Get your child to read a book on Oxford Owl, discuss what your child enjoyed about the book. Get your child to read a book on Active learn and complete the activities. These focus on comprehension skills. Explore new vocabulary you find when reading. What are the origins of this word? Can it be modified? Can you find any synonyms or antonyms for your new word? With your child, look in magazines, newspapers and books for new vocabulary they are unfamiliar with. They could use a highlighter to highlight in magazines and newspapers.

Learning Project - to be done throughout the week

The project this week aims to provide opportunities for your child to learn more about different viewpoints. Learning may focus on physical viewpoints in terms of what you can see outside of the window at home, what others can see looking into your home and then progress onto personal viewpoints and of others.

- **Let's Wonder:**

Draw a picture of themselves and label their drawing with the qualities they have.

How do others see them differently? Ask people at home to add to their qualities.

How are they different to other children in different parts of the world? What makes them similar to other children around the world?

- **Let's Create:**

Complete an observational drawing of what they see outside a window in get out into the garden and find natural forms such as stones, leaves, animals. Complete sketches, showing an awareness of different viewpoints object. Remember to concentrate on [tone and shading](#).

their house. Then flowers and of the same

- **Be Active:**

- **[Jo Wicks-9.00 daily](#)**

Move around their home and garden taking photographs from different photos do they like? Do the people they live with like the same photos as not?

Recommendation at least 2 hours of exercise a week.

viewpoints. Which them? Why? Why

- **Time to Talk:**

Talk about keeping safe, discuss different ways to keep safe. Basic hygiene internet safety, water safety, being safe around the home, stranger danger. people view this?

rules, road safety, How do different

- **Understanding Others and Appreciating Differences:**

Listen to different pieces of music from around the world, which styles of music and why? [Music](#) Maybe they could learn a song by heart and perform it.
