- Try some French food-perhaps eat baguette, croissants, muscles, croque monsieur or perhaps french onion soup.
- Make a model of one of the famous building in Paris.
- Write and draw the colours in French.
- Learn how to say the following in French: **Hello, Goodbye, My name is, thank you, yes, no and I would like.**
- Learn how to count to 10 and then 20 in French.
- Draw around your body with help from an adult. Then label the main body parts in french.
- Find out about the Tour de France and write a fact file about this amazing event.
- Can you re-create one of Claude Monet's famous paintings.

Don't forget to post anything you are proud of on Google Classroom so we can celebrate your wonderful work together.
