TERM	Autumn 2020
TOPIC	Earth and Space
TOTAL POINTS	

# Take Away Homework!

**Choose your homework from the menu below the peri-ometer shows you the level of challenge. You need to reach a minimum of ten points to achieve your homework target for the half term!**

<b>6 Points</b>	Make and present film documentary about a recent space mission.	Create a detailed model of the International Space Station.	Make a paper mâché model of the planet Earth.
<b>5 Points</b>	Design and paint a picture inspired by the astronaut Yuri Gagarin.	Build a model of the Apollo 16 moon buggy or lunar module Orion.	View the interactive solar system at <a href="http://solarsystemscope.com">solarsystemscope.com</a> and screen shot your favourite view.
<b>4 Points</b>	Bake and decorate a cake inspired by our planet Earth.	Draw a large picture of the Sun and write as many facts about our star inside it.	Going from the Sun outwards, count each planet's moons and multiply them by the next planets moons until you get to Neptune. What is your product? Present your findings.
<b>3 Points</b>	Create a history of space travel timeline and fact poster.	Draw all the planets in our solar system as a fact poster.	Star gaze with an adult and see if you can identify and draw a constellation.
