

St Uny C of E Academy

Head of School: Mr R Hoskins

Hello Tehidy Class.

I hope you are all keeping well and happy at home! Thank you for all the news and photos you have been sending in. I love seeing and hearing about all the exciting things you have been getting up to during lockdown. You certainly seem to have got 'stuck in' to home learning! I have seen photos of children helping out at home, learning new skills, reading, writing, painting, making and doing very tricky maths. I've also seen photos of children exercising, dancing, playing games and having lots of fun. These are all incredibly important things that you will remember for a long time to come.

I've been keeping busy at home too. Here are some of the things I've been up to:

Going for daily walks near to my home. My favourite walks are by the Helford River and Trelowarren Bluebell Woods.

Watching a friendly rabbit who has made his home under the decking in my garden. He nibbles my plants!

The Pianist of Yarmouk
Reading a true story about a brave man who played his piano in the streets during a war to keep people cheerful.

Chatting to my family on Face Time

Planting seeds and succulents

Fran sends you a message from Australia

In Australia, Fran has been on lockdown too. Here are some of the things she has been doing at home to keep busy:

Painting her nails

Learning how to make Cornish Pasties

Tie dying

This week she was allowed to go to the beach with her friends for the first time in a long while!

In California, Sophie and Jeff have also been on lockdown. They live in a small flat in the middle of San Francisco City. Luckily, they have a roof garden so they can get outside a bit! Here are some of the things Sophie and Jeff have been doing at home to keep busy:

Doing exercises.

Watching the sun rise and set over the city.

Baking bread

When they go outside, they have to wear a face mask to keep everyone safe.

Every Thursday evening, I join my neighbours in the street to *Clap for Carers*. Some people in my village play musical instruments. This week I am going to make a musical instrument to play on Thursday.

Maybe you could make a musical instrument to play when you *Clap for Carers*

I have had a lot of fun making a diary for my Teddy (just like Ginger's diary). In it, I am recoding all the things 'Teddy' has done during lockdown. Next week it is his birthday, so I am going to plan a party.

Maybe you could make a diary for your teddy

Well Tehidy, that is about all my news for now. I am sure it will not be long now until I see you all again. Meanwhile, I want to tell you how incredibly proud I am of you for dealing with this very different time in our lives. Please make the most of this special time at home with your families. Remember to be kind and helpful to the people at home, who are also dealing with change. Oh, and do not forget to say 'please' and 'thank you' (you know Mrs. Taddeo insists on good manners!).

See you all soon! Lots of Love,

Mrs. Taddeo
