Hello Marvellous Mousehole.

I am missing you all very much and look forward to when we can be back together again!!

I hope you are all being good, keeping well and having fun at home with your families. I've heard from the teachers that you are working hard on your home learning. I know it isn't easy to stay motivated during these strange times but, keep it up!!! You are all fantastic!!!

I have been over to Connor Downs and spent time with our key worker children engaging in outdoor learning. They take great pride in showing me how to clean out the rabbits, fill up their food bowls and change the bedding.

Whilst being at home I've been playing my piano and singing, enjoyed games with my family, quizzed on zoom with friends, painted rooms in my house. I've even attempted to get a little fitter by trying to keep up with my energetic family members!!! either cycling or chasing after Katie, (I don't keep up) she is super-fast and waits for me at designated points. Oh yes and the boring housework is continuous!!

I'm lucky to live on an estate that has a real community feeling. We always go out and clap with them on a Thursday evening for the wonderful NHS and a local neighbour sings a lovely Cornish song after, which we all love. We even had a socially distant street party for VE day, which was quite an emotional event.

I am going to end by pinching somebody's quote

"Enjoy the little things in life..... for one day you'll look back and realize they were the big things" anon.

Keep smiling Mousehole, make the most of everyday.

Lots of love

Mrs Cook
