

Name	
Class	Godrevy, Mousehole, Zennor
TERM	Spring 2020
TOPIC	Home Learning
TOTAL POINTS	

Take Away Homework!

Choose your homework from the menu below the peri-ometer shows you the level of challenge. You need to reach a minimum of ten points to achieve your homework target for each half term.

6 Points	Design your own fantasy island – what would be on it? Can you make it out of junk modelling? Who would live there?	Design your own board game. Include squares that would send you further as along the board, and some that would make you go backwards. Some might even make you do a forfeit! Play the finished game with your family.	Discover a new artist! Research their lives and works online and make a presentation about what you have learned. Can you produce a piece of art inspired by them?
5 Points	Make a family tree. Who are your ancestors? Where did they live? How far back can you go?	Design a healthy family menu for the day. What should everyone eat? How much would it cost?	Measure the furniture in your bedroom in cm. Can you draw a floor plan showing the exact measurements? Can you convert the measurements to m?
4 Points	Learn a poem off by heart and perform it to the rest of your family. Copy it out neatly and illustrate it.	Design a new playground game that you can share with friends when you return to school. What are the rules? How can you make sure everyone can join in?	Atlas challenge – find and learn facts about the UK. What are the largest cities and where are they? What are the longest rivers? What are the highest mountains?
3 Points	Learn a new life skill. Learn how to tie your shoelaces by yourself, or how to tell the time.	Learn about the Egyptian gods and goddesses. Who is your favourite one? Why?	Plant seeds in a pot or in the garden. What do they need to grow? Draw the different stages to make a plant growth diary.
