# Home Learning Challenges

Choose your home learning challenges from the grid below and upload completed work onto Google Classroom.

Your aim is to achieve a minimum of 20 points each week. You can also choose to complete your 'Chilli Challenge' homework challenges.

<b>6 Points</b>	<b>Roll a dice three times to create a 3-digit number. Multiply and divide this number by 10, 100, 1000 and 10,000. Repeat for at least 5 numbers</b>	<b>Read a book that challenges you and design and create a book review for your friends to see</b>	<b>Write a balanced argument for the creation of plastic. Or choose a topic if your own</b>	<b>Use numbered playing cards to randomly pick out 4 cards to give you a 4-digit number. Round this number to the nearest 10, 100, 1000 and 10,000</b>
<b>5 Points</b>	<b>Write a detailed newspaper report on a non-fiction topic of your choice</b>	<b>Use a thesaurus (there are online thesauruses) to create an exciting word bank of new words</b>	<b>Find and learn the Roman numeral system and write your date of birth in Roman numerals</b>	<b>Learn what a Haiku is. Create a Haiku about your favourite hobby</b>
<b>4 Points</b>	<b>Create a VIPERS acrostic poem to help you remember what aspect of reading each letter represents</b>	<b>Practise your handwriting by writing a paragraph from your favourite book</b>	<b>Use a range of resources to research how we can reduce plastic pollution and present your findings as a poster</b>	<b>Find out a way to learn and memorise the 9 times table and write down the trick that you have learnt</b>
<b>3 Points</b>	<b>Choose 10 words from a book that you find difficult to read and use the look, say, cover, write, check approach</b>	<b>Practise 10 column addition and subtraction challenges. You can choose your own numbers</b>	<b>Test yourself on the spelling of the year 2 common exception words. If there are any you get wrong, keep practising until you are more confident</b>	<b>Learn how to use a dictionary effectively</b>
