

Home Learning Challenges

These home learning challenges are for you to complete whilst the school moves to home learning for two days over the G7 summit. The challenges are designed to be as 'screen free' as possible. Please bring any home learning completed into school on Monday so it can be shared with teachers and the rest of the class.

Name:	Poldark
Class:	

Create a pocket guide to identify the local birds species in your garden habitat or birds that live in Cornwall. . Remember to use images, labels, facts, and descriptions	Write a letter to then Prime Minister suggesting ways in which we could help to protect our local, national, and international physical environment.
Create a fact file about an endangered animal of your choice.	Create a shape a poem about your favourite sea creature and how it could be under threat from human activity.
Can you make an eye-catching and visual poster encouraging people to Reduce, Re-use and Re-cycle.	Draw and label pictures of the flags from the countries who are attending the G7 meeting in Carbis Bay.
Can you write out your 2, 5, 3 and 10 X table and practice them in and out of order. Ask an adult to test you.	Practice copying and remembering these spelling each day... climb, people, that, children, every, everyone, eye, sugar, sure ,parents, kind, mind, find, prove, again, half, who, where, when, were, what class, would, should, could, most.
