

St Uny C of E Academy

Head of School: Mr R Hoskins

Dear Mousehole class,

I just wanted to write this letter to say hello and let you know that I am thinking about you all.

I hope you are all keeping safe and helping your parents as much as possible around the house. I am really happy to see that you are all keeping up with your home learning. Please try practising your multiplication tables and spellings. If you can, use the TT rock stars and Spelling Shed resources.

I have been busy home schooling my own children every day as well as going into our hub school to look after key worker children. In my free time, I have set myself the challenge of writing a symphony, which is going well, and I am now writing my fourth movement, so I am nearly finished the first draft!

I hope you have set yourself a challenge that can keep you occupied. I would love to hear all about it!

Have a look at the '50 Lasting Experiences' on the school website and have a think if you could do any of them from the safety of your own home. I have done star gazing, den building and have had a water fight with my boys - all are achievable in your back garden!

I am looking forward to seeing you all back in school when things are back to normal.

Mr Foulds
