

ST UNY C.E. ACADEMY NEWSLETTER

'Let your light shine before others.' Matthew 5:16

RESPECT. FRIENDSHIP. FORGIVENESS.

Friday 26 April 2019

Dear Parents / Carers,

What a busy first week back we have had at St Uny CE Academy!

Year 5 Residential

Year 5 have had a wonderful time on their residential this week. On Wednesday they visited Longleat Safari Park, on Thursday the Roman Baths and Bowling and on Friday a visit to museums and a planetarium in Bristol. Lots of adults told the staff how brilliant the children were throughout the stay. Well done to all who attended and a special thank you to the members of staff who made the trip possible!

E-Safety Parents Workshop

As a school we are aware of the concerns some parents have about online safety and how to protect children when using the internet. With this in mind, we have arranged for a parent workshop designed to provide the latest internet safety updates, information on the latest websites and apps children are using and support for parents & carers. This will take place next Thursday 2nd May at 2.15pm. We hope to see lots of you there!

September 2019 Class Structure

Following on from the letter that went home before Easter regarding the September 2019 class structure. This half term we will allocate children to classes and aim to share this information with you before the half term break. We are currently planning three transition afternoons so that pupils can get to know their new teachers, more information on this will follow in due course.

Please keep up to date on the latest news on our Facebook page <https://www.facebook.com/Stunyacademy/>

On April 5th Year 5 children were shown a very special kind of apple tree with 5 different varieties on each tree. These included Gala and Braeburn plus three less well known kinds.

6 children were chosen to plant the two trees in the orchard - Connie, Freya Lily, Harry, Chelsea, Frazer and Ollie. The trees have blossom buds on each branch so will produce some apples this year. The orchard area has been closed for a few months in order to protect these young trees and allow the wild flower seeds recently planted by Year 3 to germinate and grow without disturbance. Our orchard area is recognised by FOE (Friends of the Earth organisation) as a haven for wildlife and is particularly important for our bees when the apple blossom is in flower very soon. It is a vital source of pollen and nectar at this time of year.

Family Worker Drop In Sessions Monday 29th April 2019

Hayley Smith, Family Support Worker, will be available to speak to parents/carers during parents evening on Monday 29th April from 3pm to 5pm.

Family Workers can support:

- children with low level anxiety- increasing emotional resilience, recognising and managing their emotions, bereavement and family breakdown.
- parents to understand their child's behaviour when it is having a significant impact on the family
- meal/ bed time/ daily routines which are impacting on the family i.e. reduced school attendance or persistent lateness
- families, affected by complex issues, to avoid crisis
- families who need debt or housing advice which cannot be supported by a visit to CAB.

Hayley will be based in Mrs Brand's office in the KS1 area and would be pleased to talk to parents/ carers on Monday.

Due to parents evening next week, there will be **no clubs on Monday or Tuesday** (with the exception of Bowling which will run with Miss Hill on Monday). Also due to staff training there will be **no Sewing or Eco club on Thursday** next week. All other clubs will be running.

It's **non-uniform day on Friday 3rd May** in exchange for a bottle for the Summer Fayre. Please bring bottles to the office. Thank you.

On Thursday our very talented rugby players played against 15 other schools in the Penwith area. We played 7 games winning 6 and drawing the final with St Hilary, meaning we came joint first and shared the trophy. All the players were outstanding, showing great determination and skill. We will now represent Penwith in the area finals and in the Cornwall School Games. We couldn't be prouder of their achievements!
