Weekly Phonics Tasks (Aim to do 1 per day)	Weekly Writing Tasks (Aim to do 1 per day)

- Sing Nursery Rhymes and songs together. Add in actions and change the words. Can children think of different rhyming words to add in? Repeat old favourites and learn new rhymes. You can find an A-Z of Nursery Rhymes here: <https://allnurseryrhymes.com/>

### Read Write Inc daily Phonics

*If your child is in EYFS they should be confident with their Set 1 Speed Sounds and in the process of learning Set 2 Speed Sounds. Some children may be ready for Set 3 sounds in the coming weeks.*

Monday 23<sup>rd</sup> March and for the next two weeks, films will show at the times below and be available for 24 hours.

- Set 1 Speed Sounds at 9.30 am
- Set 2 Speed Sounds at 10.00 am
- Set 3 Speed Sounds at 10.30 am

Your child can record sounds and spellings in their home learning book. Follow the link below to access the videos.

- Ask your child to draw a picture of the people who live in their house. If they share time across two houses, draw who lives in each house. Can they label their family members using their phonics knowledge?
- Practice name writing. Can they write their first name? Middle name? Surname?
- Can they write the names of their family members? Do they know Mummy and Daddy's real name? They could copy this or use their phonics knowledge. Can they write this? Using chalks, crayons, paint, felt tips.

### Handwriting – in line with St Uny School's Handwriting Policy.

Practice forming the letters of the alphabet -lower case only for now (cursive letters).

Explain that letters begin on the line with and end with a hook.

Letters to practice for Week 1 – One armed letters  
Letters to practice for Week 2 -Zig Zag letters

- Play I-spy with things you can see out of the window. You could alternate between the initial sound in the word e.g. "I spy with my little eye something beginning with t". Or with oral blending e.g. "I spy with my little eye a t-r-ee"
- Play a listening game- Gather a selection of objects that make sounds from around the house. Cover your child's eyes with a blindfold and make sounds with the objects collected. Can they figure out what the object is without looking at it?

EYFS tricky words to practice and write out in their home learning books or any other way. Here are some ideas to practice spelling these words. Week 1 and 2 Words

said	some	all
have	come	this
so	were	them
do	like	for
them	put	are
one	and	will

Here is a list of fun ideas that can provide memorable alternatives to aid spelling practise at home.

Remember that the children should see, say and do all at the same

3D word search

Chalk on the concrete

Make the word using scrabble tiles

Write the word in the sand

- ♦ Using a water bottle with a sports cap, spray the word on the ground
- ♦ Paint huge versions of the word

## Learning Project - to be done throughout the week

The project this week aims to provide opportunities for your child to learn more about different viewpoints. Learning may focus on physical viewpoints in terms of what you can see outside of the window at home, what others can see looking into your home and then progress onto personal viewpoints and of others.

- **What can you see out of your window?-**
  - Ask your child to look out of a window in the house and draw what they can see. Look out of a different window (e.g. back or side of the house), draw what they can see. Look at the two pictures together and discuss what is the same in both pictures (e.g. the sky) and what is different.
- **Record how many cars/ people walk past your house-**
  - Set a timer for 5 minutes on your phone or tablet. Draw out a simple grid (as below) and ask your child to put a tick in the right place every time a person or car goes past. When complete, can they

count up the ticks and write the matching numeral? Were there more people or cars?

- **How do we differ from others?-**

- Ask your child to look in a mirror at their hair colour, eye colour, skin colour. Ask them to create a self-portrait using either felt-tips, crayons or paint. Look at some pictures in books and magazines. Does everyone look the same way as them? How do people look different?

- **Imagine another world outside the window-**

- Close the curtains and ask your child to imagine that the house is in a new imagined world. What do they imagine? Is it snowy? Are there dinosaurs/ monsters in the new world? Ask them to tell you a story about it...

Your child could create a story map to show what happens in their imaginary world (see right).

- **Go on a sight hunt-**

- Support your child to make a viewfinder. Cut out a square of card from an old cereal box/ cardboard. Cut a smaller square out of the centre. Take your viewfinder around the house and garden and explore what things you can see. Alternatively, you could create a pair of binoculars as pictured.
- Your child could write a list of the things they see or draw/ paint a picture.
- If you have a tablet or phone that could be used by your child they could do the same activity but use photographs to record.
